

Six heavily armed terrorists, dressed in Indian military commando fatigues charged into the Parliament complex and set off a fierce gun battle in which six policemen and a Parliament staffer were killed as well as all six of the terrorists. From the amount of explosives found on the attackers, Indian authorities believe the terrorists were on a suicide mission. The attack took place minutes after both Houses of Parliament had adjourned for the day and could easily have taken the lives of numerous Members of Parliament, staff and visitors.

Three months and two days ago, terrorists used box cutters, knives and fuel-laden passenger jets to launch suicide missions against the United States. One of those airplanes, we later learned, may have been intended to hit this very Capitol building—the symbol of our democracy.

The attack against India, as with the attacks against the United States, were not aimed at bringing down buildings. They were cowardly attempts by criminal terrorist organizations to attack free and democratic societies, to intimidate their people and their government.

India has waged a long and often-lonely battle against terrorism. Today, I want to assure the people and government of India that you are not alone.

Mr. Speaker, it is time that the international community made clear that terrorism and violence as a means of political expression will not be tolerated and will not be allowed to continue. We must act together in rooting out the terrorist networks wherever they exist.

HONORING THE DEARBORN/DEARBORN HEIGHTS CHAPTER OF THE LEAGUE OF WOMEN VOTERS ON THE OCCASION OF THEIR 50TH ANNIVERSARY

HON. JOHN D. DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 13, 2001

Mr. DINGELL. Mr. Speaker, I am pleased to rise today to pay tribute to the Dearborn/Dearborn Heights Chapter of the League of Women Voters on their 50th Anniversary.

Recognized by the National League of Women Voters on December 19th, 1951, the Dearborn/Dearborn Heights Chapter has fulfilled and continues to fulfill its primary goal of encouraging the informed and active participation of citizens in government, working to increase understanding of major public issues and influencing public policy through education and advocacy.

The Dearborn/Dearborn Heights Chapter has provided numerous services to the community since their inception in 1951. In 1952, they provided election-day childcare in 63 precincts, allowing parents to vote. They helped establish the Northwestern Child Guidance Clinic in 1963. Throughout the years, they have worked with ABC News on election-day exit polling. These fine women have helped pass library proposals and establish a diversity committee which works to engage local students in community discussions. Mr. Speaker, these women have served their community well.

Though they are a non-partisan group, the Dearborn/Dearborn Heights Chapter of the League of Women's Voters is extremely political, focusing their efforts on child health and welfare, juvenile justice, and campaign finance reform. A League representative sits on the Rouge River Advisory Council, as well as the Southeast Michigan Council of Governments Educational Advisory Council. As spelled out in their original charter, the League's actions are always a reflection their member's priorities.

I would like to recognize the current officers of the Dearborn/Dearborn Heights Chapter of the League of Women Voters: Elizabeth Linick, Janice Berry, Mary Jo Durivage, Jeni Dunn and Mary Bugeia. I thank all the fine members of this Chapter of the League for all their hard work over the past 50 years, and would ask that they keep it up. On the occasion of their 50th anniversary, I would ask all my colleagues to salute the Dearborn/Dearborn Heights Chapter of the League of Women Voters.

21ST CENTURY MONTGOMERY GI BILL ENHANCEMENT ACT

SPEECH OF

HON. PATSY T. MINK

OF HAWAII

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 11, 2001

Mrs. MINK of Hawaii. Mr. Speaker, I rise today in support of H.R. 1291, the 21st Century Montgomery GI Bill Enhancement Act.

The bill includes numerous provisions to help veterans. It broadens the categories of illnesses connected to Agent Orange and the Gulf War Sickness, and it increases educational assistance under the Montgomery GI Bill for full-time students from \$650 per month to \$800 starting on January 1, 2002, to \$900 in FY03, and to \$985 in FY03.

Section 302 extends the Native American Veterans Housing Loan Program until 2006. The program was scheduled to expire in 2002.

Tribal lands are generally held in trust. Lands held in trust cannot be encumbered by those who use it. As a result, native people have historically had limited access to mortgages to build and repair houses.

The Native American Veterans Housing Loan Pilot Program was created by legislation authored by Senator DANIEL AKAKA in 1992. It provides direct housing loans to Native American veterans to purchase, construct, or improve dwellings on trust lands. The program helps Native American, Native Hawaiians, and Native Alaskans who were honorably released from active duty service since World War II.

I urge my colleagues to vote for H.R. 1291 to recognize and compensate the service that native people have made to defend our country.

Mr. CLEMENT. Mr. Speaker, I rise today to honor Dr. Robert Carver Bone of Lebanon, TN, as an outstanding Tennessean, who has made numerous contributions to medicine, education, and the community-at-large. I consider Dr. Bone a dear friend and confidante of many years.

His military experience includes service as a flight surgeon and commander of the USAF, 1974–1980; commander of the 118th Tactical Hospital, USAF, 1974–1980; and U.S. Army flight surgeon in 1997.

He has participated in numerous furthering education programs such as study overseas in 1959 with the Wellcome Library of Historic Medicine in London, the Royal College of Physicians in Edinburgh, and a preceptorship with Dr. G.A. Grant Peterkin in Leyden, Montpelier, Uppsala.

Further, he carries certifications from the American Board of Pediatrics, the American Board of Surgery, Advanced Cardiac Life Support, and Advanced Trauma Life Support.

He is beloved throughout Middle Tennessee, having practiced medicine in the community of Lebanon for nearly 40 years, and
